

Fairview United Methodist Church

Hello Friends!

Fairview United Methodist Church would like to invite you to come along on an adventure! This year during our Vacation Bible School week we will venture into The Maker's Workshop and learn more about how we were Created by God, Built for a Purpose. We will learn about several different people from the Bible and how they were made by God for a specific job he had for each of them!

Each day, you visit with us you can become a part of the Maker's workshop as you see, hear, touch and maybe even taste what it was like to live in Bible times. You will explore our crafting area, take part in games, dance to lively Bible songs, sample tasty tidbits at snack time and even Visit with our story teller and mad scientist to talk about more of our biblical stories. We pray that all of these experiences will help God's Word come alive with a whole new meaning!!!!

So, Please plan to join us at 1013 Westover Drive on June 25th-28th every evening from 6-8:30.

We are enclosing a registration form. Please fill one out for each of the children in your family that will be attending. We have classes for ages 3- children who have just completed the 5th grade. We also have a nursery available for those parents who are helping with our VBS. We will be giving t shirts to the children who attend again this year, so returning your registration will help ensure we have enough shirts for all the children who attend and will help streamline the process of getting them into their groups on our first night together! Please call the church 434-792-3391 if you have any question or to register.

Looking forward to learning with you!
